### Subject: Closing Transactions Restriction

As announced earlier today, ISE will delist options on the FTSE 250 Mini index (FTZ) effective for Friday, December 24, 2007. In order to resolve any existing positions in this proprietary product, ISE will only accept closing orders in all FTZ series expiring after December 21, 2007. This change is effective as of tomorrow, December 7.

All opening transactions in these series will be cancelled following the close of business during the life of the series.
