Circular number: 2011-17-Update **Contact:** Jodi Burns, Director of Product Operations

Date: April 26, 2011 **Telephone:** 646-805-1823

The purpose of this Market Information Circular (MIC) is to announce the Phases 5 migration of two hundred (200) symbols to the ISE's new Optimise trading system from its current system. [Please be advised of the new effective date for this Phase listed below.](#)

Subject: Options - Optimise Phase 5 Migration - Effective Date Change

Optimise™ Trading System

Effective on [Tuesday, May 3, 2011](#), the ISE will migrate two hundred (200) Second Market symbols from its current trading system to the Optimise trading system. The 200 symbols* are provided in the link below.

<http://www.ise.com/assets/documents/OptionsExchange/misc/Optimise%20Migration.xls>

All GTC orders associated with these symbols will be deleted after the close on Monday, May 2 and members must re-enter their orders in the new system prior to the open of trading on Tuesday, May 3.

**Please note this list is subject to change due to corporate actions.*

All Second Market market makers, all EAM DTI and all FIX users who have passed conformance testing of the new system may trade these symbols. All PrecISE users may also trade these symbols. If you still need to test the new system, or if you are not currently a Second Market participant but are interested in becoming one, please contact Technology Member Services at tms@ise.com.

For more information about Optimise visit our Member Site at the following link:
