

Regulatory Information Circular – 2002-18

To: ISE Members

Date: October 31, 2002

Re: Termination of Enhanced Size Pilot

As of the close today, the Enhanced Size Pilot has ended. Accordingly, the requirement contained in Rule 804(b) that the size of a market maker's quote must be at least 10 contracts when initially entered is again applicable with respect to all options classes traded on the Exchange.
