## Regulatory Information Circular – 2003-02

<b>To:</b>	All ISE Market Makers
<b>From:</b>	Jim Sampson – Vice President, Market Supervision
<b>Date:</b>	January 22, 2003
<b>Re:</b>	Termination of Interim Linkage Rule

ISE Rule 721 (Pilot Program for Away Market Maker Access) will no longer be in effect on January 31, 2003, when the permanent options linkage begins. The permanent options linkage will be phased-in, starting with the options classes listed below. There will be no interim linkage available for other options classes.
