RE: GTS Securities LLC, Respondent
Broker-Dealer
CRD No. 149224

Pursuant to Rule 9216 of The NASDAQ Stock Market LLC ("Nasdaq") Code of Procedure, GTS Securities LLC (the "firm") submits this Letter of Acceptance, Waiver and Consent ("AWC") for the purpose of proposing a settlement of the alleged rule violations described below. This AWC is submitted on the condition that, if accepted, Nasdaq will not bring any future actions against the firm alleging violations based on the same factual findings described herein.

I.

ACCEPTANCE AND CONSENT

- A. The firm hereby accepts and consents, without admitting or denying the findings, and solely for the purposes of this proceeding and any other proceeding brought by or on behalf of Nasdaq, or to which Nasdaq is a party, prior to a hearing and without an adjudication of any issue of law or fact, to the entry of the following findings by Nasdaq:

BACKGROUND

The firm became a FINRA member on April 23, 2014 and a Nasdaq member on May 22, 2014. Both registrations remain in effect. The firm has no relevant disciplinary history.

SUMMARY

In connection with review 20150467692, the staff of FINRA's Department of Market Regulation (the "staff"), on behalf of Nasdaq, reviewed the firm's compliance with SEC Rule 611(c) of Regulation NMS during the period from May 22, 2014 through July 10, 2016 (the "First Review Period").

In connection with review 20150468027, the staff, on behalf of Nasdaq, reviewed the firm's compliance with rules regarding locked and crossed markets during the period from January 1 through September 30, 2015 (the "Second Review Period").

In connection with review 20160492958, the staff, on behalf of Nasdaq, reviewed the firm's compliance with rules regarding locked and crossed markets during the period from October 1, 2015 through June 30, 2016 (the "Third Review Period").

Based on the foregoing reviews, the staff determined that the firm engaged in the violative conduct set forth below, consisting of violations of SEC Rule 611(c) of Regulation NMS and Nasdaq Rules 2010A, 3010, 4613(e)(2)(B), 4703(j) and 4755(a)(4).

FACTS AND VIOLATIVE CONDUCT

1. SEC Rule 611(c) requires firms to take reasonable steps to establish that intermarket sweep orders ("ISOs") meet the requirements of SEC Rule 600(b)(30), which defines an ISO as a limit order for an NMS stock that meets two requirements: (i) it is identified as an ISO; and (ii) the firm routes additional limit orders, as necessary, to execute against the full displayed size of any protected bid, in the case of a limit order to sell, or the full displayed size of any protected offer, in the case of a limit order to buy, for the NMS stock with a price that is superior to the limit price of the limit order identified as an intermarket sweep order.
2. Nasdaq Rule 4613(e)(2)(B) states, in relevant part: "Nasdaq members shall reasonably avoid displaying, and shall not engage in a pattern or practice of displaying any quotations that lock or cross a protected quotation, and any manual quotations that lock or cross a quotation previously disseminated pursuant to an effective national market system plan."
3. Nasdaq Rule 4703(j) states, in relevant part: "In connection with the trading of securities governed by Regulation NMS, Intermarket Sweep Orders shall be executed exclusively within the System and the entering Participant shall be responsible for compliance with Rules 610 and 611 under Regulation NMS with respect to order protection and locked and crossed markets with respect to such Orders."
4. Nasdaq Rule 4755(a)(4) stated, in relevant part: "Intermarket Sweep Orders shall be executed exclusively within the System and the entering Participants shall be responsible for compliance with Regulation NMS Order Protection Rule and Locked and Crossed market rule with respect to such orders."
5. Nasdaq Rule 3010 requires firms to establish and maintain a system to supervise the activities of each registered representative and associated person that is reasonably designed to achieve compliance with applicable securities laws and regulations and with applicable Nasdaq rules.
6. Nasdaq Rule 2010A requires firms, in the conduct of their business, to observe high standards of commercial honor and just and equitable principles of trade.
7. During the First Review Period, the firm mistakenly relied on the crossed market exception set forth in SEC Rule 611(b)(4).¹ This resulted in the firm failing to send ISOs to execute against the full displayed size of certain protected quotations. As a result of

¹ Rule 611(b)(4) of Regulation NMS provides to trading centers an exception for transactions that trade through protected quotations when such transactions are executed at a time when a protected bid is higher than a protected offer in the NMS stock.

the above conduct, the firm failed to take reasonable steps to establish that ISOs met the requirements of Rule 600(b)(30) of Regulation NMS. The conduct described in this paragraph constitutes a violation of SEC Rule 611(c) of Regulation NMS.

8. During the Second and Third Review Periods, the firm failed to reasonably avoid displaying, and engaged in a pattern or practice of displaying, quotations that locked or crossed a protected quotation. The conduct described in this paragraph constitutes separate and distinct violations of Nasdaq Rules 4613(e)(2)(B), 4755(a)(4) (for conduct prior to June 22, 2015) and 4703(j) (for conduct on or after June 22, 2015).
 9. During the Second Review Period, the firm's supervisory system did not provide for supervision reasonably designed to achieve compliance with Nasdaq's lock and cross rules. Specifically, the firm's supervisory system did not include written supervisory procedures providing for a statement of adequate supervisory steps to review for cancelled directed ISOs. The conduct described in this paragraph constitutes a violation of Nasdaq Rules 3010 and 2010A.
 10. During the Third Review Period, the firm's supervisory system did not provide for supervision reasonably designed to achieve compliance with Nasdaq's lock and cross rules. Specifically, the firm's written supervisory procedures did not describe supervisory steps to ensure that all order data is fed into the firm's post-trade compliance review system. The conduct described in this paragraph constitutes a violation of Nasdaq Rules 3010 and 2010A.
- B. The firm also consents to the imposition of the following sanctions:

A censure; a fine in the total amount of \$97,500 (consisting of a fine of \$65,000 for the ISO violations in matter 20150467692 and a fine of \$32,500 for the lock/cross and supervision violations in matters 20150468027 and 20160492958) to be paid jointly to Nasdaq, NASDAQ BX, Inc., NASDAQ PHLX LLC, New York Stock Exchange LLC and NYSE Arca, Inc., of which \$19,500 of that total amount shall be paid to Nasdaq; and an undertaking to revise the firm's written supervisory procedures with respect to the areas described in paragraphs I.A.9 and I.A.10 above. Within 30 business days of this AWC becoming final, a senior executive of the Respondent shall submit to the COMPLIANCE ASSISTANT, DEPARTMENT OF ENFORCEMENT, 9509 KEY WEST AVENUE, ROCKVILLE, MD 20850, a signed, dated letter, or an e-mail from a work-related account of the registered principal to MarketRegulationComp@finra.org, providing the following information: (1) a reference to this matter; (2) a representation that the firm has revised its written supervisory procedures to address the deficiencies described in paragraphs I.A.9 and I.A.10; and (3) the date the revised procedures were implemented.

Acceptance of this AWC is conditioned upon acceptance of parallel settlement agreements in related actions between the firm and NASDAQ BX, Inc., NASDAQ PHLX LLC, New York Stock Exchange LLC and NYSE Arca, Inc.

The firm agrees to pay the monetary sanction(s) in accordance with its executed Election of Payment Form.

The firm specifically and voluntarily waives any right to claim that it is unable to pay, now or at any time hereafter, the monetary sanction(s) imposed in this matter.

The sanctions imposed herein shall be effective on a date set by FINRA staff.

II.

WAIVER OF PROCEDURAL RIGHTS

The firm specifically and voluntarily waives the following rights granted under Nasdaq's Code of Procedure:

- A. To have a Formal Complaint issued specifying the allegations against the firm;
- B. To be notified of the Formal Complaint and have the opportunity to answer the allegations in writing;

- D. To appeal any such decision to the Nasdaq Review Council and then to the U.S. Securities and Exchange Commission and a U.S. Court of Appeals.

Further, the firm specifically and voluntarily waives any right to claim bias or prejudgment of the Chief Regulatory Officer, the Nasdaq Review Council, or any member of the Nasdaq Review Council, in connection with such person's or body's participation in discussions regarding the terms and conditions of this AWC, or other consideration of this AWC, including acceptance or rejection of this AWC.

The firm further specifically and voluntarily waives any right to claim that a person violated the ex parte prohibitions of Rule 9143 or the separation of functions prohibitions of Rule 9144, in connection with such person's or body's participation in discussions regarding the terms and conditions of this AWC, or other consideration of this AWC, including its acceptance or rejection.
